TECHNICAL PROFICIENCIES

Languages – C#, JavaScript, HTML, CSS, SQL, Ruby, Elixir

Libraries/Frameworks – ASP.NET MVC, Web API, LINQ, NUnit, Moq, jQuery, React

Agile Development – Pair Programming, Continuous Integration, TDD, Extreme Programming

Tools – Git, Visual Studio, VS Code, SQLServer, JIRA, Bitbucket, Confluence, Jenkins, Octopus Deploy, Vim

EXPERIENCE

eMoney Advisor – Radnor, PA

Senior Software Engineer

January 2015 – Present

- Developer on Integrations Team
 - Developed public API endpoints intended for external consumption
 - Converted the front end of a 3rd party integration to make use of React components
 - Brought expertise from the Planning Tools team for a project that required Planning Tools knowledge
 - Participated in a cross-organization front end working group that dealt with improving the front end in various ways, such as by choosing new technologies to introduce and by reducing technical debt
- Developer on Planning Tools Team
 - Developed Fidelity's Digital Client Goals application using ASP.NET MVC, which allows clients to track progress of retirement and spending goals
 - Developed Fidelity's Lead Gen API in C# for another team to consume and use for attracting lead clients
- Developer on Planning Team
 - Developed front-facing tools and reports for the eMoney application, as well as the backing simulation engine
 - Taught developers on the team about pair programming
 - Fixed bugs in various areas of the eMoney application
 - Participated in the organization and discussion of a weekly technical book club

IBM – Philadelphia, PA

Software Engineer

November 2011 - December 2014

- Developed a C# collateral management app using WinForms and WCF
- Practiced Extreme Programming as part of an agile team, adopting practices such as pair programming on production code, writing code in a Test-Driven Development style, and attending daily stand-ups
- Led team retrospectives to determine new ways of improving the team
- Contributed to Ruby scripts and NuGet packages used internally by the office

EDUCATION

West Chester University of Pennsylvania, West Chester, PA, Graduation: December 2011

M.S. In Computer Science, Cumulative GPA: 3.93

Kutztown University of Pennsylvania, Kutztown, PA, Graduation: May 2009

B.S. In Computer Science, Cumulative GPA: 3.66
